Ethnologia Polona is a peer-reviewed journal using double-blind peer review. We uphold the highest standards of publication ethic and take the necessary measures against publication malpractice including plagiarism, falsification of data or misuse of third party material. Our ethic statements are based on the principles of Committee on Publication Ethics, as well as Code of Conduct for Journal Publisher. We expect all authors to read our principles of Publication Ethics and Malpractice Statement before submitting any manuscript to this journal. This policy details the responsibilities of all parties involved in the publication process – editors, reviewers, authors and publisher – as well as procedures for managing potential disputes.

Please send your submission through our Open Journal System: <https://journals.iaepan.pl/ethp/about/submissions>. In case of any questions please email [ethnologia.polona@iaepan.edu.pl](mailto:ethnologia.polona@iaepan.edu.pl)

## **Length of manuscript**

Articles should be no longer than 7000 words (approx. 40 000 characters), including references and notes, but excluding the abstract.

**Required:** Submitting an anonymized version of the article, alongside the standard version. Both versions should include keywords and an abstract.

## **Manuscript style**

- Format: .doc. or .rtf
- Font size: 12 for main text and bibliography, spacing 1.5; 10 for footnotes with single spacing
- Margins (left, right, top and bottom) 2.5 cm; the text should be justified.
- The title (14 p), author's name (12 p), last name and affiliation (10 p) should be in capital letters (all CAPS) and centred.
- Subheadings should be in capital letters (12 p), while lower level subheadings in bold; additional line before subheadings.
- Quotations: double inverted commas should be used, except for quotations within quotations, which should have single inverted commas. Full stops should be placed after the brackets containing the citation reference.
- Longer quotations (of more than 4 lines) should be set off from the text with an extra line above and below as 'block quotes': in smaller font (10), indented from left and right (1,25 and 15,25), and typed without double inverted commas. Full stops should be placed after the last word of the citation, but before the brackets containing the reference.
- Italics should be used only for foreign words and titles of books, which are mentioned in the body of the text. Titles of newspapers, journals, or articles should be given in quotation marks.
- UK English spelling should be used.
- All pages should be consecutively numbered, starting with 1, in the bottom right hand corner of each page.
- Please use consecutively numbered footnotes, starting with 1, and keep them to a minimum. Do not use endnotes.

- Paragraphs: a single tab to begin a new paragraph, **except for the first paragraph in a section or the paragraph following a block quote.**
- Keywords: should be separated by commas.
- The author's name, last name, affiliation, e-mail, and ORCID number should be given in the very end of the article.

#### **References within the text:**

- Single author quotation: (Laidlaw 1993, 208)
- Two authors, more than one page: (Humphrey and Hugh-Jones 1991, 124–136)
- Several authors: (Goody et al. 1987, 25)
- Citation of another author's work in a secondary text: (Laidlaw 1996, as cited in Lewis 1998, 45).
- Please include page numbers in full: (Geertz 1970, 35–37).
- References to websites should be included in footnotes and must mention the date you accessed the website. E.g.: <http://www.zeit.de/> (accessed 01.06.2019).

#### **Bibliography:**

Bibliography should come at the very end of your text.

- Single author monograph  
Malinowski, Bronislaw. 1922. *Argonauts of the Western Pacific*. London: G. Routledge & Sons.
- Several authors' monograph  
Kristiansen, Kristian, and Thomas B. Larsson. 2005. *The Rise of Bronze Age Society. Travels, Transmissions and Transformations*. Cambridge: Cambridge University Press.
- Edited volume  
Hodder, Ian, ed. 1991. *Archaeological Theory in Europe. The Last Three Decades*. London: Routledge.
- Journal article  
Bogucki, Peter. 1993. "Animal Traction and Household Economies in Neolithic Europe." *Antiquity* 67 (256): 492–503.
- Book chapter  
Leacock, Eleanor B. 1980. "Montagnais Women and the Jesuit Program for Colonization." In *Women and Colonization: Anthropological Perspectives*, edited by Mona Etienne and Eleanor B. Leacock, 25–42. New York: Praeger.
