

INDEX TO PROFESSOR SYLVESTER'S CONTRIBUTIONS TO  
 "MATHEMATICAL QUESTIONS...FROM THE *EDUCATIONAL*  
*TIMES.*"

IN the following index, prepared by Mr C. C. Scott, of the Library of St John's College, Cambridge, the date is that of the volume of the "Mathematical Questions...from the *Educational Times*," the page is that of the volume, the number is that of the question, and the word 'Solution' indicates that a solution of a question is given by Professor Sylvester. It will be noticed that in some cases a question occurs several times, in different volumes (as indicated by the number of the question being the same).
