

## Contents

J. Tan, D. Ren, Ch. Shih. New cupedids from the Middle Jurassic of Inner Mongolia, China (Coleoptera: Archostemata) . . . . .	1
M. R. Chani-Posse. Larval morphology and chaetotaxy of <i>Philonthus</i> Stephens (Coleoptera: Staphylinidae: Staphylininae) based on descriptions of eight species from Argentina . . . . .	7
L. Bartolozzi, A. Sforzi. Remarks on the brentid collection of the Warsaw Museum and Institute of Zoology (Coleoptera: Brentidae) . . . . .	29
A. Ślipiński, D. Burckhardt. Revision of the Australian Coccinellidae (Coleoptera). Part. 5. Tribe Seranginii . . . . .	37
M. Banaszkiwicz. Comparative study of female genitalia in Pedinini (sensu Iwan 2004) (Coleoptera: Tenebrionidae: Pedinini), with notes on the classification . . . . .	59
D. Iwan. Revision of African <i>Ectateus</i> group (Coleoptera: Tenebrionidae: Platynotina). Part IV. <i>Quadrideres luigi</i> , new species from Kenya . . .	79
W. M. Mathis, T. Zatwarnicki. A review of the New World species of the shore-fly genus <i>Leptopsilopa</i> Cresson (Diptera: Ephydriidae) . . . . .	85
R. Szadziewski, P. Dominiak. New synonyms of European Ceratopogonidae (Diptera) . . . . .	139
A. J. Woźnica. <i>Protoorbella hoffeinsorum</i> gen. and sp. nov., a new heleomyzoid genus and species of the tribe Orbellinii Gorodkov from Baltic amber (Diptera: heleomyzidae) . . . . .	147
G. Dlussky, A. Radchenko. <i>Fallomyrma</i> gen. and sp. nov., a new myrmicinae ant genus (Hymenoptera: Formicidae) from the late Eocene European amber . . . . .	153
X. Chen, X. Li, A. Liang, L. Yang. Review of the bamboo delphacid genus <i>Malaxa</i> Melichar (Hemiptera: Fulgoroidea: Delphacidae) from China . . .	159
J. Szwedo. A new genus <i>Waghilde</i> gen. nov. representing a new tribe of the planthopper family Achilidae from the Eocene Baltic amber (Hemiptera: Fulgoromorpha) . . . . .	167
R. J. Godunko, Ch. Neumann. Fossil mayfly collections of the Museum für Naturkunde, Humboldt University Berlin. I. <i>Electroletus soldani</i> gen. and sp. nov. (Ephemeroptera: Ameletidae) from the eocene Baltic amber . . . .	175
N. J. Kluge, R. J. Godunko, W. Krzemiński. A new mayfly family (Insecta: Ephemeroptera) from Eocene Baltic amber . . . . .	181
X. Liu, D. Yang. Revision of the species of <i>Neochauliodes</i> Weele, 1909 from Yunnan (Megaloptera: Corydalidae: Chauliodinae) . . . . .	187
M. V. Angel, K. Blachowiak-Samolyk. <i>Obtusoecia</i> (Halocyprida: Myodocopa: Ostracoda) a bipolar planktonic oceanic genus. Taxonomy, bathymetry and zoogeographical distribution . . . . .	197
E. Stworzewicz, B. M. Pokryszko. Eocene terrestrial snails (Gastropoda) from Baltic amber . . . . .	215
