Introduction	231
G. Alberti. On Corniculi, Rutella and Pseudorutella – some ultrastructural details of key-characters in Acari (Arachnida)	239
B. Sikora, M. Skoracki. <i>Blaszakiella americana</i> gen. et. sp. nov. A new zerconid mite (Acari: Zerconidae) from North America	251
R. Urhan. <i>Zercon anatolicus</i> , a new species of zerconid mites (Acari: Mesostigmata: Zerconidae) from Turkey	255
S. Kaczmarek. <i>Epicrosejus blaszaki</i> sp. nov. (Acari: Mesostigmata: Sejidae). A new mite species from Korean Peninsula	261
G. Madej, A. Stodółka. Successional changes and diversity of mesostigmatid mite communities (Acari: Mesostigmata) on reclaimed power plant waste dumps ...	267
A. B. Shatrov, N. I. Kudryashova. Taxonomic ranking of major trombiculid subtaxa with remarks on the evolution of host-parasite relationships (Acarimormes: Parasitengona: Trombiculidae)	279
J. Małkol, A. Wohltmann, G. Gabryś. A redescription of <i>Echinothrombium</i> (Canestrini, 1885) (Acari: Actinotrichida: Prostigmata: Microtrombidiidae) with notes on biology and life cycle	289
J. Łaydanowicz, J. Małkol. Species diversity of parasitengoma terrestria (Acari: Actinotrichida: Prostigmata) in a habitat influenced by anthropopressure	303
A. V. Bochkov. A review of the mite family Stigmocheylidae Berlese (Acari: Prostigmata)	311
M. Skoracki, B. Sikora. <i>Blaszakia</i> , a new genus of quill mites (Acari: Syringophiliidae) parasitizing turacos (Aves: Musophagiformes)	327
E. Ebermann. First record of the genus <i>Thaumatopelvis</i> Mahunka (Acari: Heterostigmata: Scutacaridae) from Europe	333
K. Jesionowska. Redescription of <i>Hawaiieupodes termophilus</i> Strandtmann et Goff, 1978 (Acari: Prostigmata: Eupodoidea: Penthalodidae) from Hawaii, with a discussion of the systematic status of the taxon	337
A. Kaźmierski. Three new tydein species of the genus <i>Brachytydeus</i> Thor, 1931 sensu André 2005 (Acari: Actinedida: Tydeidae) from Siberia	347
A. Kaźmierski. Redescription of two new species of tydeinae (Acari: Actinedida: Tydeidae) from Spain with the remarks about the Iberian species of subfamily	357
A. Skoracka, M. Lewandowski, J. Boczek. New species and new records of eriophyoid mites (Acari: Prostigmata: Eriophyidae) from grasses	365
B. Vidović, B. Stojnić and R. Petanović. Eriopyoid mites: <i>Aceria absinthii</i> (Liro, 1943) and <i>Paraphytoptus paradoxus</i> Nalepa, 1896 (Acari: Eriopyoidea) on wormwood, <i>Artemisia absinthium</i> L. in Siberia – supplement to the descriptions	373
G.-Q. Wang, S.-G. Wei, D. Yang. A new eriophyoid mite (Acari: Eriopyidae) from <i>Rhododendron ovatum</i> (Ericaceae) in China	379
A. Łabrzyczna, J. Dabert. Two new species of mites (Acari: Myobiidae and Myocoptidae) from skin and fur of small mammals in Poland	383
J. Dabert, B. Natress, M. Dabert. <i>Xoloptes blaszaki</i> sp. nov. (Pterolichoidea: Pterolichidae) – a new species of feather mite from <i>alectoris rufa</i> (Galliformes: Phasianidae) from Europe with DNA barcode data	391
A. Badek, M. Dabert, S. V. Mironov, J. Dabert. A new species of the genus <i>Proctophyllodes</i> (Analgoidea: Proctophyllodidae) from Cetti's Warbler <i>Cettia cetti</i> (Passeriformes: Sylviidae) with DNA barcode data	397
S. V. Mironov. Three new species of the feather mite subfamily Pterodectinae (Acari: Astigmata: Proctophylloidea) from Passerines (Aves: Passeriformes) in central Africa	403
G. Krisper, R. Schuster. <i>Fortuynia atlantica</i> sp. nov., a thalassobiontic oribatid mite from the rocky coast of the Bermuda Islands (Acari: Oribatida: Fortuyniidae)	419
S. G. Ermilov, M. Łochyńska, Z. Olszanowski. The cultivation and morphology of juvenile stages of two species from genus <i>Scutovertex</i> (Acari: Oribatida: Scutoverteicidae)	433
G. Raspotnig, G. Krisper, G. Fauler, H.-J. Leis. Distinctive cuticular hydrocarbon profiles in oribatid mites (Acari: Oribatida)	445
P. Skubała, M. Duras. Do decaying logs represent habitat islands? Oribatid mite communities in dead wood	453
P. Szymkowiak. <i>Diaea kangaroblaszaki</i> sp. nov. from Kangaroo Island, South Australia (Araneae: Thomisidae)	467
